

## Getting the Most from Your Digital Photos with Windows

Summertime is filled with great opportunities to use your digital camera; vacations, little league games, family reunions, holidays, and much more!

If you have questions about how to bring your photos into your Windows computer or organize them, touch them up, email them, print them, or back them up, you will want to check out the following articles listed below.

- [Using Digital Photos with Windows XP](http://www.microsoft.com/windowsxp/using/digitalphotography/default.mspx)
