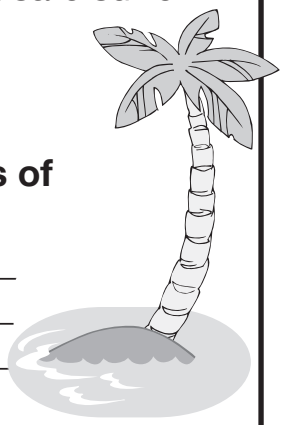
Surf the Internet Safely @ Surf Swell Island!

Grades 3 - 5

Do you know what it takes to be safe on the Internet?

With your teacher's permission, use a computer to go to the address below. Answer the questions correctly to show your teacher that you're a safe surfer!



http://disney.go.com/surfswell/

1. Show what you learned at Privacy Falls. Name three pieces of information that you should never give to your online friend:

1. Email Address (Answers may vary)
2. Password
3. Home Address

2. According to Privacy Falls, name one piece of information that you can give to your online friend. _____

3. According to what you learned in Virus Cave, name two things a virus could do to your computer.

1. Delete all of your files (Answers may vary)
2. Crash your computer

4. Draw one Internet symbol from Temple of Tact and what it means.

(Answers may vary) BTW=By The Way, CU=See You, <G>=Big Grin

5. Circle True or False for each statement:

(Use Challenge of Doom if you need help)

- You can arrange to meet your new online friend in person. True (False)
- Typing in all capitals is nice because they are easier to read. True (False)
- It's okay to tell your online friend your favorite music group. (True) False
- It's okay to tell your online friend the soccer team you play on. True (False)

What is the answer to the Surf Swell Island Secret Code?

A L W A Y S B E C Y B E R - S M A R T
